

A horizontal network diagram showing a path from left to right. It starts with a large gray oval containing the text 'PROXY-190.2.132.245'. This is followed by a small light green circle. A horizontal line then connects this to a blue oval containing the text '43tUg...'. Finally, another horizontal line connects the blue oval to a second small light green circle on the far right.

PROXY-190.2.132.245

43tUg...
