

A horizontal network diagram showing a path from left to right. It starts with a large gray oval containing the text 'PROXY-88.198.237.172'. This is followed by a small light green oval, then a long horizontal line. After the line is a small blue oval containing the text '49BFi...', followed by another small light green oval.

PROXY-88.198.237.172
