

A diagram illustrating a network path. It starts with a large gray oval containing the text 'PROXY-185.243.112.229'. This is connected by a horizontal line to a small light green circle. This circle is then connected by another horizontal line to a small blue oval containing the text '44W4e...'. The entire diagram is set against a white background.

PROXY-185.243.112.229
