

asic.azurewebsites.net

```
graph LR; A([asic.azurewebsites.net]) --- B(( )); B --- C(( )); B --- D(( )); B --- E([1NjAV...]); C --- E; D --- E;
```

A network diagram with four nodes. On the left is a large pink oval containing the text 'asic.azurewebsites.net'. A line connects its right edge to a small light green circle. This green circle is connected by three lines to three other nodes on the right: a light green circle at the top, a light green circle at the bottom, and a blue oval at the bottom right. The blue oval contains the text '1NjAV...'. The top and bottom light green circles are also connected to each other by a vertical line.

1NjAV...
