

A diagram illustrating a network path. It starts with a large gray oval on the left containing the text 'PROXY-104.131.59.214'. A horizontal line connects this oval to a small light green circle in the middle. From the green circle, another horizontal line extends to the right, ending at a small blue oval containing the text '46BeW...'. The entire diagram is set against a white background.

PROXY-104.131.59.214
