

http://www.javapl.pw/32xmrig.exe

The diagram consists of three main components connected by a horizontal line. On the left is a large pink oval containing the URL 'http://www.javapl.pw/32xmrig.exe'. In the middle is a small green circle. On the right is a blue oval containing the text 'win\_x...'. A solid black line connects the right side of the pink oval to the green circle, and another solid black line connects the green circle to the blue oval.

win\_x...
