

A network diagram showing a horizontal flow from left to right. On the left is a large gray oval containing the text 'PROXY-188.165.164.22'. This is connected by a thin black line to a small light green circle. This circle is then connected by another thin black line to a small blue oval on the right containing the text '44xow...'. The entire diagram is set against a white background.

PROXY-188.165.164.22

44xow...
